Wednesday, 29 June 2022 at 12.30 to 13.30 hrs

“Corporate Responsibility and Environment: How new Due Dilligence Rules will impact Business”

The EU is proposing Due Diligence rules via Corporate Sustainability Due Diligence and EU Deforestation proposals to ensure that both the private and public sectors, acts on protecting the environment. The aim is to ensure that only deforestation-free products are allowed in the EU market and that companies contribute to protecting biodiversity and climate change mitigation rules while fostering sustainable development, as well as international trade rules.
