5th LUNCH IN STRASBOURG IN 2023

**« Packaging and Packaging Waste
Regulation :How can it benefit the environment,
consumers and businesses ? »**

The European Commission released a proposed revision of the EU legislation on Packaging and Packaging Waste (Packaging and Packaging Waste Regulation), that has been at the heart of Parliament debates these past couple of weeks. Stopping the increase of packaging waste generation is one of the focal points of the discussions. Join us for this lunch debate where both private and public sector players aspire to understand where the legislation offers the greatest potential to deliver economic, environmental and consumer benefits; as well as the possible risks and costs associated
